VIEW OF BUIST'S ROSEDALE SEED FARM.

Dear Sir:—

PHILADELPHIA, June 1, 1896.

I have the pleasure of mailing you my WHOLESALE TRADE CATALOGUE of the NEW CROP of TURNIP and RUTA BAGA SEEDS, and also other varieties for SUMMER and AUTUMN SOWING. The selling season is rapidly approaching, and to secure your seeds in time your order should be sent in at once.

The Crop this Season will again be very short, owing to the protracted drought during last Fall, which prevented the formation of roots sufficiently large for planting for seed. We had over two hundred acres from which not a root was harvested; our early sowings were our only Successful Crops, and this failure has been a general one throughout the United States; the Red or Purple Top (Strap-leaved) and the Early White Flat Dutch (Strap-leaved), two of the leading varieties, will be scarcer than they have been for some years; as the season advances they will undoubtedly be higher than now quoted.

We have already booked a large number of orders and should recommend our customers not to overlook the importance of ordering at once.

BUIST'S TURNIP SEEDS are FAMOUS THROUGHOUT the SOUTH and WEST for their great PURITY and FINE QUALITY; always certain to grow and produce roots of the finest strain; this is owing to the careful selection we annually make of the LARGEST and FINEST FORMED ROOTS to produce the seed from which our crops are grown. BUIST'S GROWTH will not only give your customers perfect satisfaction, but annually increase your TURNIP SEED trade.

Your valued orders shall receive our personal attention.

Yours truly,

*Robert Buist Company*

We sell 300 lbs. and over of Assorted Varieties at 22c. per lb.

We do not handle the Cheap Imported Seed, as in this country, and especially in the South, it produces a strong growth of foliage, and but seldom forms any Turnips.

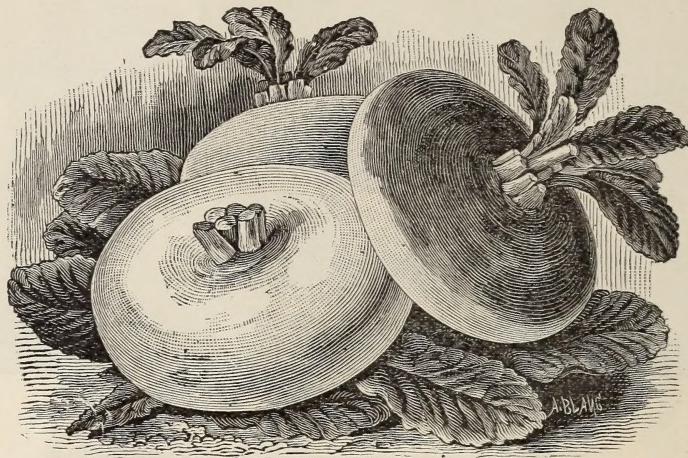

**TERMS OF SALE.**—Four months' credit—cash discount five per cent, if paid within ten days. Accounts are subject to draft when due.

The New Crop will be ready last of June; but should you desire your order filled, in whole or in part, previous to that time, we can ship you last season's crop, which will grow equally as well as new. In ordering, please advise when you wish your shipment made.

**BARRELS, SACKS AND BOXES ARE CHARGED AT COST.**

**Our Quotations are Exclusively for the Trade.**

**The most Salable Brand.**

**The most Reliable Growth.**

**BUIST'S · PRIZE · MEDAL  
TURNIP SEEDS.**

We are the most extensive growers of Turnip Seed in this country, and produce our Crops exclusively from **Selected and Transplanted Roots**, this improved method of selection and culture has made Buist's Turnip Seeds celebrated in every market for their great **Purity** and fine **Quality**.

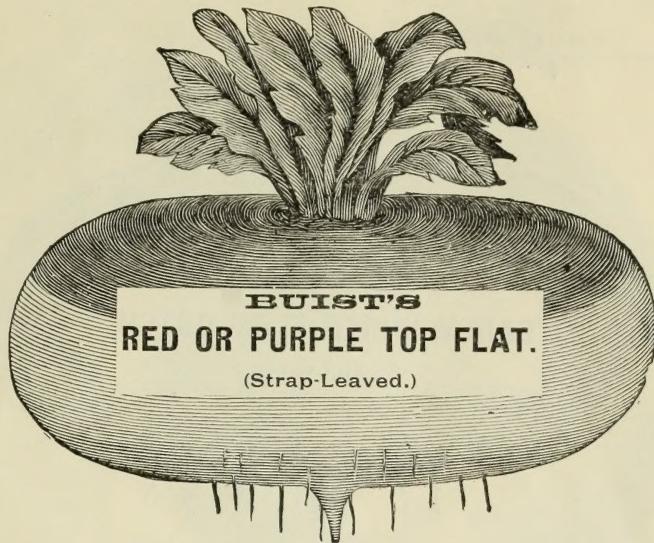

Order your supply put up in our Sealed Cartoons of  $\frac{1}{4}$ ,  $\frac{1}{2}$ , and 1 lb. packages as it is more salable in that form, and a great safeguard against errors in selling.

Until the new crop of '96 is harvested, we are the only house in the trade that can supply the true Southern grown stock; as the crop has proved a failure for the past two years. That which is being sold by the trade as Southern Collards is imported from England and is not what the South requires.

## BUIST'S CELEBRATED CABBAGE SEED,

Awarded 22 First Premiums in a Single Season,

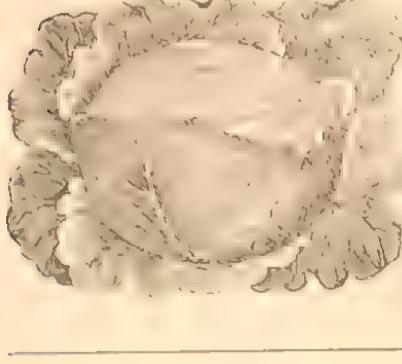

THE FINEST AND MOST RELIABLE STOCK KNOWN.

We have made the cultivation and improvement of Cabbage a specialty for a number of years, by selecting each year the largest and most perfectly formed heads for our own seed stock. This repeated selection extending over a period of more than twenty-five successive years, has produced what is considered by experienced cabbage-growers as the finest strain of late Cabbage in the world. In order to distinguish it from our other brands, it is marked "Buist's Improved," and is beautifully put up in illustrated papers, also in  $\frac{1}{4}$ ,  $\frac{1}{2}$  and 1 lb. packages.

The great popularity of this brand has caused some houses to put up and sell the ordinary stock of Cabbage under the name of the Improved, which, of course, is an entirely different and cheaper grade of seed, and the same stock as we offer under the name of Premium.
